Hi Bob,

After reviewing the deeds you provided, we can confirm that the 2011-11-16 and 1991-06-07 deeds describe the 16.74 acre boundary exactly the same, except the 2011-11-16 deed removes a 2.5 acre parcel that was completely inside the described 16.74 acres, making the new total of 14.24 acres for deed 2011-11-16.

Let us know if you have any questions!

Melody

Jeff,

Please confirm that the 14.24 acre "Barge Dock" described in the deed 2011-11-16 is a part of the larger 16.74 acre parcel of land described in the deed dated 1991-06-07 ($16.74 - 2.5 = 14.24$).

Please disregard my below email dated October 02, 2014 6:36 PM.
